

# Come and meet the Netherlands at Pollutec 2023

Press release, September 14<sup>th</sup> 2023

**Lyon** – The Dutch Embassy in France and its regional economic representation, NBSO Lyon, will officially represent the Netherlands at Pollutec, from October 10<sup>th</sup> to 13<sup>th</sup>. His Excellency Mr. Jan Versteeg, Ambassador of the Netherlands, will honor us with his presence on the opening day of the exhibition.

The Dutch Pavilion at Pollutec will be a podium to twenty organizations from the Netherlands, mainly active in:

- ✓ Recycling
- ✓ Water
- ✓ Energy

*A presentation of these organizations is available on the next page.*

## Discover the Dutch delegation

- ✓ Come and meet us on the Dutch Pavilion: **stand H4-E020**
- ✓ Attend our conference:  
**Plastic Solutions and Collaborative Strategies: France-Netherlands “état de l’art”**  
Tuesday October 10<sup>th</sup> from 12:15 to 13:00, International Forum, Hall 4  
Co-organized with our partners **ORÉE** and **Holland Circular Hotspot**.

More information about our program and delegation on [LinkedIn](#) (@NBSO Lyon) with the hashtag #netherlandsatpollutec or by email [pollutec@nbso-lyon.fr](mailto:pollutec@nbso-lyon.fr).

## About us

NBSO Lyon, with the economic section of the Embassy and NBSO Nantes, forms the Dutch economic network in France. Our mission is to support and advise Dutch companies wishing to do business in France, by facilitating and promoting contacts with French business partners and stakeholders.

Within the framework of priority sectors, efforts are turned towards sustainable development, such as circular economy, sustainable mobility and renewable energy.
